

**Electronic versions of the September 2013 issue of *Oceanography* now available**

Over the last two days, all TOS members were sent a message providing instructions on accessing full electronic versions of the September issue online, and on iOS and Android devices (Kindle coming soon). If you did not see this information, please search for a message from the following address: [Distribution233@qmags.com](mailto:Distribution233@qmags.com). If you are still having difficulty, please contact Jenny at [jenny@tos.org](mailto:jenny@tos.org). As mentioned previously, the June 2013 issue will be distributed as soon as it is available.

**Ocean Sciences Meeting (OSM) Registration is open!**

Registration and abstract submission are now open for the 2014 Ocean Sciences Meeting to be held 23-28 February 2014 in Honolulu, Hawaii at the following website: <http://www.sgmeet.com/osm2014>.

We encourage you to review the information, especially the session list <http://www.sgmeet.com/osm2014/sessionlist.asp> and begin your plans to present at the meeting.

Paid registration is required for all abstract submissions and must be accompanied by credit card payment when submitting online. Those who submit abstracts online must be prepared to register and submit at the same time. **The abstract deadline of 4 October will be strictly adhered to** in order to plan the program and schedule the presentations for the meeting. Late submissions will not be accepted.

Even if you have contacted organizers previously by email, **all requests for auxiliary meetings, town halls, and workshops should be submitted online**. A form is available on the meeting web site. Please use this form to request space for supplemental meetings, workshops, town halls and other special events. Only requests submitted using the on-line form will be considered. Requests received after the 4 October deadline may be able to be accommodated on an as-available basis.

Please contact Lynda West ([lyndaw@sgmeet.com](mailto:lyndaw@sgmeet.com)) at the conference office if you have any questions (254.776.3550).

If you have questions about the scientific program, please contact the meeting co-chairs:

Jonathan Sharp (ASLO) [jsharp@udel.edu](mailto:jsharp@udel.edu)

Mel Briscoe (TOS) [mel@briscoe.com](mailto:mel@briscoe.com)

Eric Itsweire (AGU) [eitsweir@nsf.gov](mailto:eitsweir@nsf.gov)

For practical and logistical information, contact Lynda West, ASLO Business Office, at [lyndaw@sgmeet.com](mailto:lyndaw@sgmeet.com) or by phone at 1-800-929-2756 (USA, Canada, and the Caribbean) or 254-776-3550 (Other locations).
