iPad App for Oceanography magazine is Now Available

We are excited to announce that the *Oceanography* iPad app is now available! To download the app, please follow these steps:

Step 1: From an iPad, click on this link:

<https://itunes.apple.com/us/app/oceanography/id585601442?ls=1&mt=8>

If the link does not work, go to the App Store, and search for *Oceanography* (look for the TOS logo). Install the app.

Step 2: From the app welcome page, you will be asked to enter your user ID and password. This is the same login information that you use to access the other electronic versions of *Oceanography*. This login information was provided via email to all TOS members on 12/18/2012 from Qmags (distribution@qMags.com). The user ID is the email address on file with TOS, and the password was generated by Qmags. There is a password recovery tool on the welcome page in case you cannot find your login information. Contact Jenny (jenny@tos.org) if you are having difficulties.

Step 3: After successfully logging in, the three most recent issues of *Oceanography* will appear in your library. Click on the cover of the desired issues to download them to your iPad. Note: the September issue may take several minutes to download due to its large size. If the download process seems to be stuck, try closing the app, reopening, and resuming the download.

We hope you enjoy using the iPad app and would like to hear your impressions. We plan to develop an *Oceanography* app for other mobile platforms in the near future; an Android app seems to be the next logical step, but we would like to hear suggestions from TOS members on this topic. Please send ideas, comments or questions to Jenny Ramarui (jenny@tos.org).

Please remember, all members will continue to receive a hard copy of future issues of *Oceanography* via postal mail, unless you send (or have already sent) a message selecting electronic delivery only to jenny@tos.org.

Job Postings/Community News/Social Media

Several new announcements regarding job and funding opportunities, symposia, and community news have been posted over the last few days. Visit the websites below

Jobs: http://tos.org/jobs_funding.html

and

News: <http://tos.org/news.html>

to read the latest announcements. Please consider connecting with The Oceanography Society on social media (Facebook, Twitter, LinkedIn) to receive notices about job openings, community news, and other items as soon as they are available. You can easily connect with TOS by clicking on the social media icons located in the upper right corner of the TOS home page (www.tos.org).

Remember to Vote!

The TOS Council Election is open until January 19th, 2013. Visit the elections page for more info: <http://tos.org/vote.html>

Nominations for the Munk Award are Due March 31st, 2013

For more information, visit the Munk Award page:
