

Some items of interest regarding upcoming opportunities...

Paul G. Allen Ocean Challenge: Mitigating Acidification Impacts

Two informational webinars have been held to date regarding the Paul G. Allen Ocean Challenge: Mitigating Acidification Impacts. Webinar recordings and registration information, answers to frequently asked questions, and submission guidelines are all available at: <http://www.pgafamilyfoundation.org/oceanchallenge/>

To aid planning efforts for submission evaluation for this Ocean Challenge as well as planning for future projects, responses to a three-question survey are requested from the community. Please take a moment to provide feedback by June 5, 2013 at the following website: <http://www.surveymonkey.com/s/9SY7VLZ>

The deadline for concept submissions is July 31, 2013. Further information is available at: <http://www.pgafamilyfoundation.org/oceanchallenge/>

Sloan Research Fellowships in Ocean Sciences

The Alfred P. Sloan Foundation is proud to maintain the Census of Marine Life's legacy through its Sloan Research Fellowships in Ocean Sciences. Established in 1955, the Sloan Research Fellowships were expanded in 2011 to mark the extraordinary contribution of Census scientists. **The next application deadline is September 16, 2013.** For more information, see www.sloan.org/fellowships or email researchfellows@sloan.org.
