Election

It's time for the annual election of new TOS Councillors. Voting will again take place electronically through the vote.net system. Each TOS member will receive an email message later today with detailed instructions, including your user name and password for the election. If you do not receive an email with these instructions, please contact Jenny Ramarui at jenny@tos.org.

Membership renewal payments are arriving in the TOS office daily. However, if you have not paid your dues for the current membership year (October 1, 2012 – September 30, 2013) please click [here](#) to visit the TOS membership page. **Log in** using your user id and password, then click on **My Transactions** to view and pay your open dues order.

***Oceanography* Magazine Developments**

The December issue of *Oceanography* magazine goes to print later this week and will be mailed in early December. All TOS members will receive an email from our electronic publishing partner "Qmags" with instructions on accessing the issue on the web and as a PDF. **Please note:** all TOS members will continue to receive a hard copy of *Oceanography* in the mail UNLESS you send an email to jenny@tos.org to choose electronic delivery only.

The editorial staff has just finished testing the *Oceanography* iPad app and it functions very smoothly. If final implementation goes well, the app should be available within the next several weeks for all TOS members.
