1. Ocean Sciences Mtg Abstract Deadline Today/ Accommodation for U.S. Government Employees

Today is the deadline for submitting abstracts for the 2014 Ocean Sciences Meeting. Thank you to all TOS members who have indicated that they are TOS members on the registration form. Due to the U.S. Government Shutdown, the OSM Planning Committee is prepared to make accommodations for U.S. Government employees who are not able to submit their abstract today. Click [here](#) for full details.

2. Welcome New TOS Members

We'd like to welcome the dozens of new members who have joined TOS since our membership year began on October 1st. We have many activities planned in conjunction with the Ocean Sciences Meeting -- please stay tuned for further details in next month's TOS NEWS.

3. Update on Current Member Renewal Process

Many TOS members received an email last week indicating that their renewal order was ready, and that they could log in and pay their annual dues [online](#). Thank you to those who have renewed already. If you haven't yet received a message from Jenny, she will send you a message over the weekend after your membership renewal order has been created and is ready for renewal.

4. Fellows Nomination Deadline 10/31

The deadline to nominate TOS Fellows is October, 31, 2014. For full details on the nomination process, click [here](#).

5. June 2013 issue of *Oceanography* magazine available online

The June issue of *Oceanography* magazine is at the printer and will be shipped out later next week. PDFs of individual articles are now available [online](#). An email message providing all members with access information to the electronic versions (iPad, Android) will be sent out next week. Thank you for your patience.
